I further understand that I will be permitted to request access to such documentation and have any errors in the personal information noted and corrected by formulating a written request to the Company mailed to the employee who is handling my claim.

I acknowledge and agree that if I choose to use, or instruct the Company to use, any electronic communication that is not encrypted, including without limitation, any fax or email communication, that (i) security, privacy and confidentiality cannot be ensured, (ii) such communication is not reliable and may not be received by the intended recipient in a timely manner or at all, (iii) such communication could be subject to interception, loss or alteration, and (iv) I assume full responsibility for the risks in connection with such communication and the Company will not be responsible or liable in any way in connection with such communication, including without limitation, any unauthorized access to or interception, loss or alteration of such communication.

Your Authorization to Disclose Personal Information

I authorize and direct the persons, institutions and organizations listed below to disclose and provide to the Company any information, records or other data regarding me, my medical history or treatment, or my past and present income, employment, education or training, which they have in their possession or control.

Persons to whom this Authorization Applies: Any physician, nurse, counsellor, psychologist, pharmacist, physiotherapist, chiropractor or other rehabilitation professional or other health care practitioner; and also any hospital, clinic, pharmacy, or other medical facility or provider of health care or treatment; and also the provincial health insurance plan, any insurance company or other financial institution or insurance broker or administrator; and also my employer or former employers and any of their agents performing services relating to any employee benefits or workers' compensation; and also any federal or provincial government department or organization, including the Workers' Compensation Board/Workplace Safety and Insurance Board, the CPP/QPP disability/retirement authorities, and the federal or provincial income tax authorities; and also to any other person, agency, credit bureau or institution having information, records or data regarding me, my medical history or treatment, or my past and present income, employment, education or training.

I understand that any information, records or data received by the Company pursuant to this authorization, both medical and non-medical, will be used for the purpose of determining coverage under the policy, evaluating my claim for benefits, my ability to return to work and/or for the purpose of assisting with the co-ordination of my return to work, for the purpose of administering the group and/or individual plans of insurance (including life, accidental death and dismemberment and disability policies of insurance) arranged through my employer with the Company or another insurer, for the purpose of providing ongoing claim status information to my employer at the time the claim was incurred, for the recovery of any overpayment of benefits incurred by me, if necessary, or for the purposes of fulfilling its (or RBC Financial Group's) obligations or investigations with respect to audits, anti-money laundering, terrorist financing, fraud detection, prevention or suppression or other criminal activities. To the extent reasonably necessary for those purposes, I authorize the Company to disclose any of the said information, records or data received: to other insurance companies or any reinsurer; or to my employer and their insurance brokers or advisors or their benefit plan administrators; or to my physicians or health care providers; or to any other person or organization (including physicians, health care practitioners, rehabilitation workers, vocational evaluators) employed or engaged by the Company.
